

When You Feel Like “Life Suddenly Doesn’t Make Sense Anymore”

Sometimes in life, we go through or witness events that seem to make no sense from a practical standpoint; it may be as tragic as the loss of a loved one, the loss of your only source of income, or the loss of everything you’ve ever worked for. We spend days, weeks, or years searching for answers and asking God to help us deal with the pain. As we struggle with this crisis, we find ourselves subconsciously engulfed by a new identity that we hardly recognize; an identity that rapidly leads us to a place where we suddenly start to question virtually everything we once knew about God and life in general. If your situation has come to this point, then be rest assured that you are not alone and there is always a way out; *give it all to Jesus*.

Circumstance like this have become prevalent over the past two years as we witness COVID-19 measures literally devastate the lives of many people across the globe. Some people get up each day with one question in mind “What happened to the life I once knew?” “What happened to humanity?” For Christians, as we witness the relentless attack on the Church of Christ, we are tempted to ask ourselves “Where is God?”. As Church leaders fail to fight back, we start to question their faith in God through Jesus Christ. Now let me ask you this, “Is your faith rooted in church leaders?” If you do, then you will be very disappointed because the Bible teaches that we should have faith in God alone through His son Jesus Christ. *“And Jesus answered them, ‘Have faith in God. Truly, I say to you, whoever says to this mountain, ‘Be taken up and thrown into the sea,’ and does not doubt in his heart, but believes that what he says will come to pass, it will be done for him’” Mark 11:22-24.*

God owns the world and everything in it. *“The earth is the LORD’s, and everything in it, the world, and all who live in it; for he founded it on the seas and established it on the waters.” Psalm 24:1-2.* God is in control of everything in this sinful world. From a Biblical perspective, when we look at the beginning of every battle, we will notice that God has a tendency to give temporary victory to the enemy.

-) *When Jesus was arrested, God gave temporary victory to the enemy.*
-) *While Jesus was on the cross, the enemy was already celebrating.*
-) *When Moses confronted Pharaoh to let Israel go, God used the ten plagues to give Pharaoh temporary victory.*

Regardless of what you are going through in life, remember that God is still in control and He is watching over you. *“Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth” Psalm 46:10.* God wants to give you rest so you can experience the peace that comes through His son Jesus Christ. *“Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light.” Matthew 11:28-30.* Just repeat this simple prayer:

“Lord Jesus, I give it all to you. Fill my heart with your peace which surpasses all understanding. I belong to you and I am trusting in you. Thank you Jesus Amen-Amen & Amen”

You may not have the answers to everything you are facing in life right now; all you need to do is trust God and never give up. God has the final word for your destiny; not the enemy. *"Hope in the LORD and keep his way. He will exalt you to inherit the land; when the wicked are destroyed, you will see it"* Psalm 37:34. **Your struggles are designed to show you how big your God is.**
