

Why Jesus Died at 33

Most often, when Christians talk about the will of God in their lives they come up with a blended spiritual interpretation involving all sorts of material possessions and career goals; when Jesus defined the path to the will of God in our lives, it absolutely had nothing to do with this sinful world. “For I have come down from heaven not to do my will but to do the will of him who sent me. And this is the will of him who sent me; that I shall lose none of all that He has given me, but raise them up at the last day. For my Father’s will is that everyone who looks to the Son and believes in him shall have eternal life; and I shall raise him up at the last day.” John 6:38-40. Therefore, the work of God will lead you to His will.

The work of God = Everyone who looks to the Son and believes in him.

The will of God = Eternal life and be raised on the last day.

The will of God will be manifested in your life only as long as you are doing the work of God.

Moses came to prepare the way for Jesus and likewise John the Baptist also came to prepare the way for Jesus Christ. In Luke 1:169-17, the Bible teaches that John the Baptist was filled with the spirit and power of Elijah. So when Jesus was about to complete his mission here on earth, the two spirits that prepared the way for him to start his mission, also had to reunite with him to mark the end of his mission.

That’s what happened during the transfiguration. “After six days Jesus took with him Peter, James and John the brother of James, and led them up a high mountain by themselves. There he was transfigured before them. His face shone like sun, and his clothes became as white as light. Just then there appeared before them Moses and Elijah, talking with Jesus.” Matthew 17:1-3.

After the Israelites entered the Promised Land, they defeated many kings before they could finally rest from war. “So Joshua took the entire land just as the Lord had directed Moses, and he gave it as an inheritance to Israel according to their tribal divisions. Then the land had rest from war.” Josh. 11:23. The Bible teaches in Joshua 12:1-6 that in order to enter the Promised Land, the Israelites conquered two kings under the leadership of Moses; they were Sihon the king of the Amorites and Og the king of Bashan. Under the command of Joshua, the Israelites conquered thirty one kings. Josh. 12:7-24. This brings the total number of kings conquered by both Moses and Joshua to thirty three (33).

These 33 kings represent the thirty three years that Jesus Christ spent here on earth. As soon as these thirty three kings were defeated by the two men God appointed to exercise leadership of the human part of the journey, the land had rest from war; and at age 33 Jesus had rest from the supernatural war he waged against the sins of the world. At that very moment he said on the cross “It is finished.” John 19:30. If it was all about demonstrating supernatural strength, God would have sent thousands of angels to come take the journey from Egypt to the Promised Land on behalf of the Israelites. This journey was all about the actions of man that gave birth to sin in the Garden

of Eden. The mess was created in the first place by man and with respect to God's nature, the mess will also be fixed by using some actions from man. To effectively take care of the sins of the world, God approached the mission with divine number 2. He divided the mission into two steps.

- Step one is the Natural Process.
- Step two is the Supernatural Process.

The Natural process will involve using man to take the journey which explains why Moses, Aaron, and Joshua were appointed to accomplish this step. On the other hand, step two which is strictly supernatural explains why only God's son was chosen to fulfill this mission on behalf of the Holy Trinity and humanity. That is why God appointed men like Moses and Joshua whom He made like God to carry the task. As soon as the number of kings defeated by the two men God appointed to accomplish step one became 33, the mission was accomplished. Likewise, as soon as Jesus reached 33 years of age which was in compliance with the number of kings defeated in step one, his mission on earth was also accomplished as he committed his spirit back into the hands of the Father. The mission of Jesus Christ here on earth was designed by God to last for 33 years from the moment Jesus was born. God always works with a perfect plan. The mission to free the Israelites from bondage was tightly held together using Jesus Christ in the three men that God commissioned for this assignment. Earlier, we saw that the Holy Trinity is a combination of The Father, The Son, and The Holy Spirit. We also saw that the three Godheads are the same. To bring this mission to an end:

- If God made Moses like Jesus Christ,
- If God made Moses' staff like Jesus Christ,
- If God made Aaron like Moses' prophet,
- If God made Aaron's staff like Jesus Christ,
- If God made Joshua like the Holy Spirit,
- If Jesus Christ is the Spirit of God that was used to hold this mission together,
- If the Spirit of God is the Holy Trinity,
- If Jesus Christ is the royal custodian of the Holy Trinity,

Then:

Moses + Aaron + Joshua + Jesus Christ = The Holy Trinity.

We know from the Language of Heaven that the divine number for the Holy Trinity is $777 = 21 = 3$.

Moses = 41 = 8

Aaron = 49 = 13

Joshua = 74 = 11

Jesus = 74 = 11

Christ = 77 = 14

Moses + Aaron + Joshua + Jesus Christ = $8+13+11+11+14$

$$= (11+8) + (11+14) + 13$$

$$= 19 + 25 + 13$$

$$= 10 + 7 + 4$$

$$= 21 = 3 \text{ (Divine number for the Holy Trinity)}$$
